

**Preliminary Request**

**Submission Deadline:** October 3 or January 27th

**GRANT APPLICATION**

2016-2017

As an Athletic Booster Club, we're excited to help our student-athletes, coaches and athletic staff in making Metea Valley the best venue to play and watch sports in Illinois. Our Executive Board will consider grant requests twice this year to ensure in season assistance.

After completing this application, please submit it to Dan DeBruycker in the MVHS Athletic Office. ***ALL GRANT REQUESTS MUST COME THROUGH THE ATHLETIC DIRECTOR.***

Please be as specific as possible when describing the items or services you are requesting and their intended benefits. Also, please attach any supporting documentation, such as a quote, that will help us better understand your proposal. *Note that membership or participation in Booster Club fundraising activities, such as serving in concessions or helping with apparel sales, although not required, is heavily taken into consideration when grants are evaluated.*
